

Operation London Bridge Update

Dear Victoria, Victoria Westminster and Whitehall BID Members,

The Metropolitan Police have notified us that full details of road closures for tonight and tomorrow along with detailed maps will be released later on this evening. We have also requested that further information is provided on the process for staff accessing their workplace if the premises is affected by temporary pedestrian restrictions. We will send this information through once we have it.

In the meantime the Met's advice is as follows:

Rehearsals will take place tonight from around 11pm until the early hours of Thursday. This will result in a period where all vehicle access is prohibited. Specific details of these closures and the timings will be communicated in a subsequent bulletin later on this evening.

Delivery Access

We are aware of challenges with vehicle access for commercial deliveries in some areas of the footprint last night. To ensure access tomorrow morning, deliveries should aim for 7am arrival.

Please brief drivers to be prepared for security checks. Please ensure that delivery drivers have photographic identification, a delivery note or other official paperwork and a point of contact at their delivery hub to verify and validate their access. If you have any queries please contact info@victoriabid.co.uk.
